# Our Mission & Vision

## Our Mission

Through registered training we deliver qualifications that are quality, through our intuitive service we improve people performance and capabilities on the job.

## Our Vision

We develop people, we improve business.

# About the Qualification

TAELLN80113 Graduate Diploma of Adult Language, Literacy and Numeracy Practice is Australia's premier specialist qualification for professionals supporting adult learners with LLN needs. The qualification prepares practitioners to deliver specialist LLN programs, analyse LLN demands, lead LLN practice and apply applied linguistics in complex educational contexts.

# Who Is This Course For?

This qualification is suitable for:

- Adult literacy/numeracy teachers
- VET trainers seeking LLN specialisation
- Workplace LLN specialists
- Foundation Skills practitioners
- Community education LLN teachers
- Program coordinators and LLN service leads

# Benefits of Completing TAELLN80113

- » Gain specialist LLN credentials highly valued across VET, community education and government programs.
- » Become qualified for roles such as LLN Specialist, Foundation Skills Practitioner, AMEP/SEE Teacher, LLN Coordinator, or Consultant.
- » Strengthen your employability in a sector that continually needs skilled LLN practitioners.
- » Support compliance with government LLN and foundation skills requirements in VET programs.

# Specialist

## Knowledge Gained

- Learn how to apply applied linguistics to real adult learning contexts.
- Understand the LLN demands of training, workplace tasks and vocational units.
- Build advanced understanding of literacy, numeracy and English language theories.
- Learn to design LLN programs that address complex learner needs.

## Entry Requirements

- Certificate IV in Training and Assessment (or higher)
- LLN skills at Level 4 or above
- High digital literacy skills
- Access to a workplace or simulated environment

# Units of Competency

## Core Units:

Unit Code	Unit Title
TAELLN801	Analyse and apply adult literacy teaching practices
TAELLN802	Analyse and apply adult numeracy teaching practices
TAELLN803	Develop English language skills of adult learners
TAELLN804	Implement and evaluate delivery of adult LLN skills

## Elective Units:

Unit Code	Unit Title
TAELLN806	Lead the delivery of adult LLN support services
TAEASS505	Lead and coordinate assessment systems and services

# Delivery Mode

- Face-to-face (virtual) workshops
- Online learning and digital collaboration
- Workplace practice and applied projects
- Ongoing mentoring and support

## Assessment Overview

Assessments include:

- Project work
- LLN analysis tasks
- Applied linguistics tasks
- Practical delivery sessions
- Assessment tool development
- LLN support strategies
- Professional learning presentations

# Frequently Asked Questions

## **Do I need to be teaching now?**

It is recommended but simulated options are available.

## **How long does it take?**

Usually 10 – 12 months.

## **Can I get RPL?**

Yes – evidence must demonstrate competence.

## **What support is available?**

Mentoring, trainer access, forums and learning resources.

## **Will this qualify me to teach in VET?**

You still require the TAE qualification for general VET delivery.

## **What are my career options after completing this course?**

LLND specialists are in high demand and unlike some others you will have qualifications and skills to perform the role.

## **Do I need to attend every session**

Sessions will be recorded – but the recordings are as good as the participation by a majority of learners. In this course you will be part of a team and will collaboratively contribute to each other's learning.
